

Student Permission Slip

The Maine Learning Technology Initiative Presents The First Annual iTeam Conference

Engaging Students and Educators in a Partnership for Learning

Purpose-

- To learn to organize and/or improve a student tech team (iTeam) with students and adults as active participants.
- To acquire both technological and interpersonal skills for assisting persons in the utilization of technology as an educational tool.
- To make connections with peers and to have fun.

Logistics

- Place- Gorham Middle School
- Time- Registration: 8 am to 9 am - Sessions 9 a.m. to 2:10 p.m.
- Date- January 10th (snow date: January 24th)
- Food- complimentary refreshments will be served in the morning. Participants may purchase a cafeteria lunch from 10:50 to 12:40. Brown bag is optional.
- The school nurse will be on duty. Any students needing special assistance

Tools Needed

- MLTI iBook. This conference is "hands-on" and the iBooks are necessary tool for participation.

Students with Health Issues

- The school nurse, Teresa Merrill will be present during the day. If any students need any medications (such as diabetics) please contact Teresa before Christmas vacation at 222-1220 and ask for the nurse.

**For more information, please go to
www.mainelearns.org-Professional Development-Maine Events.**

Portions of the conference may be photographed or video taped. Student images may be used on MaineLearns, www.mainelearns.org, the Maine Learning Technology Initiative website. Student names or school identification WILL NOT be included with images. If you have a particular concern with this, please contact Kelly Arsenault at karsenaultlmm@middlemaine.org.

Please return the portion below to your school:
